Out of the Blocks Quilt Design-Thursday, September 23rd 2010, 9:30-4:30

Confident beginner to advanced quilter.

Exploring the many elements of design requires the opportunity to play in an encouraging and relaxed environment without committing to yet another unfinished quilt project. The "Out of the Blocks Quilt Design," workshop will cover the basic aspects of design through discussion, viewing photos and slides, and hands-on exercises. With no sewing and using 'mini measurements,' students can create one or more small original block designs.

Supplies: *There is a complete list of supplies needed on Wendy's website.*

Workshop Policy:

The class size limit is 20, the minimum is 14. A waiting list will be developed for filling openings.

Workshop Location: Unity Church at 1204 Whites Road between Westnedge and Bronson Blvd. on the north side of the road.

Workshop registrations will only be accepted by mail or at Log Cabin meetings.

NO PHONE REGISTRATIONS.

However, feel free to call or e-mail — if you have any questions or want to know if the class is full. Full payment for class tuition is due upon registration.

Make checks out to Kalamazoo Log Cabin Quilters.
